Heaven's Family
Building Jesus' Kingdom

The Solution to a Common Problem...

Dear Friends,

Every year, during special occasions, we spend money to purchase gifts for those we love. Too often, however, our gifts aren't really needed. And our God-entrusted money that could have been used to lay up treasure in heaven and help people who really do need it—such as those who lack basic necessities such as food, safe water and adequate shelter—is wasted. Is there a way to express our love for family and friends on those special occasions and also serve the "least of these" in our spiritual family?

The answer is yes, and this gift catalog is the means to that end. Using it, you can honor your friends and family, express your love for Jesus, and lift the very poor among His family around the world.

We've made the process very simple. We can mail custom gift cards to you (for you to personally give), or directly to your loved ones. Please also note that the enclosed Gift Order Form can be used not only to order custom gift cards in honor of (or in memory of) your loved ones, but also to designate your personal contributions to your favorite *Heaven's Family* funds.

Thank you for caring!

David

Above: Three young girls from a Philippine slum who receive food, clothing, medicine, and a hope for the future, thanks to contributions to Heaven's Family Food Fund and Human Trafficking Fund.

We've made it easy to honor your loved ones and serve the "least of these."

1. As you browse through the pages of this catalog, ask the Lord for His guidance.
2. Visit HFcatalog.com, or use the enclosed Gift Order Form, to indicate fund numbers (found on every page), and the amounts of each gift.
3. If you desire that your gifts be given in honor (or in memory) of loved ones, fill out the appropriate spaces on the Gift Order Form. Also tell us where you want each customized version of one of the beautiful cards below to be mailed.

It's That Simple!

Your gifts not only transform lives of those who directly benefit from your gifts, but they also touch the lives of your loved ones who are honored by your gifts.

We'll send a customized version of one of these beautiful cards to your loved one in their honor or memory, or we will send it to you so that you can deliver it by hand or mail it yourself.

Your gifts not only transform lives of those who directly benefit from your gifts, but they also touch the lives of your loved ones who are honored by your gifts.

Heaven's Family guarantees that 100% of your contributions to the Focused Funds in this catalog will be used to meet the needs that meet each fund's criteria. Nothing is used for our administrative costs, as those are paid by contributions to our general fund.

Please note: The gift options and dollar amounts highlighted in this catalog are examples, for illustrative purposes, of how contributions to each corresponding Focused Fund are used, but Heaven's Family can make no guarantee of the specific use of any contribution beyond the guaranteed restrictions associated with every one of our Focused Funds.

Love an orphan

Caring for orphans and widows in their distress...

James 1:27

Orphans deserve families just like other children. By assisting Christian orphanages, orphans' relatives, and godly foster parents, orphans receive the love and nurture that they need.

We also help orphanage directors and foster families start small businesses to help them become self-sustaining, and to set an example before orphans so that they will be prepared to be self-reliant as adults.

fund

1

sponsor an orphan

For just \$20 per month, you can help provide one child with healthy food, medicine, school fees, and Christian nurture as well as help them leave an orphanage to live in a loving family.

Care for a widow

Learn to do good; seek justice, correct oppression...
plead the widow's cause.

Isaiah 1:17

fund

2

Widows in the developing world often suffer severe deprivation. When gainful employment can be found, it's often farm labor that pays as little as 50 cents a day.

Heaven's Family seeks to help very poor Christian widows with small business grants and loans that help them start small, self-sustaining businesses like sewing, selling produce, or raising chickens. We also assist widows with medical care, shelter, food, and other basic necessities.

\$100

startup widow's business

Provide an Opportunity Loan that will help a poor Christian widow start a small restaurant, produce stand, sewing business, cell phone charging station, or other sustainable business.

Send a missionary

How beautiful are the feet of messengers who bring good news!
Romans 10:15

fund

3

National missionaries are men and women who are passionate about making disciples of Jesus Christ among their own culture or nation. They need no language training. They understand their culture and are more likely to be accepted by those whom they seek to reach. They live very frugally, on 2%—5% of what it costs to send a Western missionary.

Poor national missionaries can only walk so far, and their shoes only last so long. By equipping these saints with the tools they need, you can enable their “beautiful feet” to carry the gospel to some of the most spiritually-dark places on earth.

sponsor a missionary

For as little as \$10 (or any amount up to the full support level of \$200) per month, you can send a missionary to reach remote villages in lands where Jesus' name is little known, if at all.

National missionaries are called by God to reach people within their own culture, but they often lack efficient means to travel to people who haven't yet heard the gospel as well as to those who have already believed and need discipled.

A sturdy bicycle can help a church planter to travel farther and more quickly than by foot, enabling him (or sometimes her) to be much more fruitful.

bicycle for missionary

Be part of the great harvest taking place in many developing nations. A bicycle, motorbike, horse or boat can help send the gospel to the remotest regions of the earth, often times to places where no Western missionary would be permitted.

\$100

"My bicycle is my wonderful companion!"

motorbike for missionary

\$800

A motorbike is the ultimate means of transport for national missionaries, taking them further faster.

Liberate a little village

Here raises the poor from the dust and lifts the needy from the ash heap. Psalm 113:7

fund

5

Imagine living in a remote mountain village.

You have no electricity, and you have to hike several miles to carry water home from a stream in a container strapped to your back. You survive by slash-and-burn agriculture, but the cleared forest can only sustain one or two seasons of rice crops. So you have to clear more forest every year. The nearest doctor is hours—or days on foot—away.

Our Village Development Fund is liberating Christians in such villages from their poverty. Micro-loans and agricultural education are key, as villagers build water supply lines to their villages and then grow cash crops for the first time of their lives. Using their new prosperity, they construct school buildings, hire a teacher for their children, and stock a pharmacy.

loan for village

Micro-loans enable industrious villagers to buy seed, tools, and other supplies to grow and sell profitable cash crops.

Provide an opportunity

If you help the poor, you are lending to the Lord—
and he will repay you! Proverbs 19:17

One reason that the poor remain poor is because they have no access to capital or affordable credit. A micro-loan, however, can make it possible for the poor to start businesses and participate in their local economies. Opportunity Loans from Heaven's Family are helping hundreds of poor believers lift themselves from grinding poverty that has plagued their families for generations.

Some use their loans to start bicycle taxi businesses. Others sew school uniforms, sell prepared food, raise chickens, pigs, or goats, plant cash crops, or sell produce in the market.

An investment that seems small to most Westerners can provide a first-time opportunity for poor believers to escape dependency and enjoy the blessing of supporting their own families. When their loans are repaid after a few months, the returned money is recycled to help another believer!

Equip a pastor

Go and make disciples of all nations Matthew 28:19

In India alone, it is estimated that there are as many as 400,000 pastors who have had no access to formal Bible training. That's one reason why *Heaven's Family* regularly receives testimonies of how David Servant's pastor-training manual, *The Disciple-Making Minister*, has blessed lives and ministries around the world. Translated into 23 languages so far, *The Disciple-Making Minister's* 500 pages are providing transforming guidance to evangelists, pastors, teachers, and others who hunger to know and serve God more fully.

Answer a prayer for a Bible

Your word is a lamp to guide my feet and a light for my path.

Psa 119:105

fund

8

What would your life be like if you had no Bible? American Christians have an average of eight Bibles in their homes, but many Christians in poor countries have never even held a Bible in their hands. In some places where Bibles are available, the price is much more than can be afforded by believers who live on less than a dollar a day. In restricted nations, the possession of a Bible can mean an automatic prison sentence. Believers around the world are praying to have their own copy of the Word of God. You can be an answer to their prayers.

\$15

Provide a Bible to a brother or sister in Christ living in a communist China or North Korea.

\$85

give an audiobible

Where literacy is low, solar powered audio Bibles enable dozens of people can hear at once.

Feed a North Korean Christian

But the needy will not always be forgotten, nor the hope of the afflicted ever perish. Psalm 9:18

fund

9

Life in the isolated communist nation of North Korea has proven to be a sentence of death for many of its citizens. Whether death comes as a result of frequent famines---some natural, others created by government policies---or from incarceration in a labor camp for being a Christian or trying to escape the country, millions of North Koreans have perished in the last few decades.

Heaven's Family funds the smuggling of tons of food into North Korea that is distributed among underground churches. We also fund the escape of those who lives are in imminent danger, relocating them to safe neighboring countries like South Korea.

\$300

Provide life-sustaining food for a family of four for an entire year for just \$300.

\$2.5k

For a Christian whose life is in imminent danger, \$2,500 will relocate them to a safe country like South Korea.

Protect a persecuted believer

Help those in trouble. Then your light will shine out from the darkness, and the darkness around you will be as bright as day.

fund

10

Every day and around the world, our brothers and sisters in Christ are suffering persecution—sometimes even torture and death—for their faith. Scripture teaches us to bear their burdens, knowing that "when one member suffers, all the members suffer with it" (1 Cor. 12:26).

Heaven's Family assists persecuted Christians in difficult nations by providing relocation costs for those under attack or in danger, food, medical assistance, funds for rebuilding lost or damaged homes, and more.

feed a persecuted family \$100

Provide life-sustaining food for one month for a family of four in crisis.

relocate a family

Help a persecuted family relocate to a safe place to live, where they will not have to live with daily threats of violence at work or school. \$750 pays for six months rent for a two-room apartment.

Matthew 25:35

fund

11

Safe drinking water is hard to find for many of the "least of these" whom we serve around the world. Many must walk miles to their only water source, which is often muddy, polluted, or bacteria-ridden, causing illness and even death in epidemic proportions.

A single economical Sawyer water filter can provide several families with safe drinking water for years. In addition to filters, we also provide wells and cisterns that provide water for orphanages, schools and villages.

Feed a family

I was hungry, and you fed me. Matthew 25:35

fund

2

Food to eat. This is one of the most pressing needs of many of the abject poor families *Heaven's Family* is serving. Parents weak from hunger cannot function well to serve their families and malnourished children do not develop properly and cannot thrive. Food shortages arise due to political and military conflict, drought, famine, and other circumstances beyond the control of our poor spiritual family.

We are also helping to lift hungry believers out of poverty and become self-sufficient by providing ongoing food sources, such as goats that provide milk and meat, and seeds to plant small gardens to supplement meager diets.

give goats

\$50

Provide a family with a milking goat, one of the most efficient, healthful food sources for the poor. Give a mating pair for \$100, and give a family an ongoing source of income and meat.

Rescue a refugee

Rescue the weak and the needy; deliver them from the hand of the wicked. Psalm 82:4

fund

B

All over the world there are Christian refugees who have been displaced from their homes and countries because of war, natural disasters, and persecution. Most, having lost most of their worldly possessions, struggle to rebuild their lives. *Heaven's Family* provides our brothers and sisters with the basic needs most of us take for granted, such as food, shelter, blankets and medicine. When we help fellow believers who are suffering as refugees, we are helping Jesus (see Matt. 25:35,36).

Aid a disaster victim

The Lord is a shelter for the oppressed, a refuge in times of trouble. Psalm 9:9

fund

14

Natural disasters strike without warning and often affect millions. They also provide unique doors of opportunity to show our love for Jesus by helping the victims, and to reach those normally resistant to the gospel (and sometimes unreachable in restricted nations under normal circumstances).

Gifts to this fund provide emergency food, safe water, temporary shelter, clothing, medicine, and other needs. Join with us so that we can be there for them in their desperate time of need.

Save a trafficked girl

He has sent me to proclaim liberty to the captives... to set at liberty those who are oppressed.

fund

5

Millions of women and young girls live 24/7 in the bondage of modern slavery around the world—perhaps even in your town. Some are kidnapped, while many more are deceived through alluring promises of good jobs that will enable them and their families to escape poverty. In many parts of the world young girls are simply sold to traffickers, using the profit to feed the girl's siblings another month—or satisfy their own greed.

Heaven's Family is combatting this evil through:

- 1) **Prevention**, seeking to bring the transformative power of the gospel to whole villages; lifting slum residents—the most vulnerable population—through the gospel, education, school uniforms, and healthcare; and relationship building;
- 2) **Rescue**, which involves developing relationships with girls who work at bars frequented by sex tourists, winning them to Jesus, and helping them start a new life;
- 3) **Training**, which provides former sex workers with skills and business training that helps them support themselves in their new life of freedom.

Rape and other forms of abuse against women and children are the hidden atrocities of war. Nowhere in the modern world has this been more true than in D. R. Congo, Africa, where the UN has estimated that more than 40 occur every hour.

But there are reasons for hope, even at the epicenter of this tormented region: a refuge of mercy and restoration has been established by a group of pastors to demonstrate the love of God. The *Women's Wellness Center* brings healing through counseling and biblical teaching, while also providing food, clothing, medical aid, and vocational and literacy training to the women shamed and rejected by their families and communities. *Heaven's Family* is there serving Jesus through the hurting "least of these" at the center.

Rescue an addict

B

Hope is what a man or woman addicted to drugs longs for, but seldom feels. No corner of the world is free from the scourge of drug addiction, but Jesus came to "set the captives free" (see Luke 4:18). Those addicted need to experience the love and power of God, and they need the Body of Christ to love them enough to carry that message of hope to them, despite their sin.

Heaven's Family is currently making a difference in poor nations like Moldova, Cuba, Myanmar and Mexico, where little if any government help exists, as well as in the U.S. Once God gives them new birth, we work with our partners to disciple, train, educate and prepare them for new lives serving the Lord, free from enslavement to drugs.

22

The poorest members of our spiritual family around the world have no insurance and usually cannot afford even a visit to a doctor, and hospitals, when available, demand money before the treatment is given, leaving them to suffer with discomfort, pain and life-threatening ailments.

Heaven's Family comes to the aid of very poor brothers and sisters in Christ throughout the world who are praying for healing, and in Jesus' name we've helped remove infected appendixes and gall bladders, restored sight by paying for cataracts to be removed, helped babies successfully nurse by having their cleft palates repaired, set broken bones by sending hospital fees and administered antibiotics and other medicines to treat wounds, infections and water- or insect-born tropical diseases like malaria.

Little Sarah was rushed to the hospital after receiving severe head injuries after a fall. We paid for her medical care, something her parents could not afford to do.

Reach the Unreached

How shall they believe in him of whom they have not heard?

Romans 10:14

Unreached People Groups (UPGs) are distinct ethnic groups that are less than 2% Christian and do not have a growing, disciple-making church. At about 7,000 UPGs make up more than half the world's people groups. Some number as many as the 128 million Shaikh people of Bangladesh, while others are as small as the 100 Adyghe people of Kazakhstan.

Many UPGs have no Bible in their native language and literacy rates among them are often low.

Reaching UPGs often requires years of relationship building in their communities, or evangelizing more receptive individuals who have left home to find work in large cities or other countries, then sending these disciples back among their own.
